

2021 YOUTH SURVEY RESULTS

Cass County CTC

SURVEY RESPONDENT DEMOGRAPHICS

All students in grades 6, 8, 10, and 12 were surveyed in the first semester of the 2021-2022 school year. The overall response rate was 73% (798/1093). If 60% or more of the sample participated, the report is a good indicator of the levels of substance use, risk, protection, and antisocial behavior.

The gender of the students surveyed are 47.3% female and 52.7% male. Male and female were the only two responses for the gender question.

The majority of survey respondents are white (85.6%). The other ethnicities of survey respondents are:

- Other/Multi-racial: 7.8%
- Hispanic: 2.8%
- Native American: 1.4%
- African American: 1%
- Asian: 0.9%
- Pacific Islander: 0.5%
